TAZEWELL COUNTY ELECTRONIC RECYCLING EVENT SCHEDULED FOR OCTOBER 5

Have you been meaning to get rid of that console TV sitting in your basement? You're in luck! An opportunity to recycle your electronics is coming to Tazewell County. Proper recycling of electronic waste is important to keeping our environment healthy. These products can contain hazardous materials that can affect our land and water supply. Events like this one can ensure that these materials are disposed of properly.

When: Saturday, October 5th | 9:00 AM – 12:00 PM

Where: Festival Building, 2200 Washington St, East Peoria, IL 61611

Personal and office electronics are welcome. There will be a fee for recycling TVs and monitors due to the hazardous materials. Fees will range from \$10-\$40, depending on the type as follows:

CRT\LCD Monitors \$10
CRT Televisions \$20
Flat-screen Televisions \$20
Projection Televisions \$40
Console Television \$40

Please note this event is for the collection of electronics, not appliances. For a full list of accepted items, please go to our Facebook page or contact us at 309-929-0272.

For any media requests or questions, please contact JD Raucci at jdraucci@tchd.net or 309-210-7805.
