CHRISTMAS TREE RECYCLING AVAILABLE

Mulched trees are used for playgrounds, beautification projects, and individual yards. These are all better options than sending trees to our rapidly filling landfills. Plan to take your Christmas tree to one of the conveniently located drop off sites throughout Tazewell County.

Christmas trees may be dropped off from December 26, 2018 until January 12, 2019, at any of the following Tazewell County tree mulching sites:

Armington – Across the street from Village Hall
Creve Coeur – Village Hall, 101 N Thorncrest
East Peoria – ICC East Campus, by truck driver training area
Hopedale – Behind Village Hall
Mackinaw – 605 S. Orchard (Behind Recycle Bins)
Minier – By recycling bin at Park & Pennsylvania
Morton – Freedom Hall, 349 W Birchwood St
Tremont – Leaf pile, adjacent to Tremont City Park
Washington – Park District Office, 815 Lincoln
Pekin residents – City crews will pick up trees at curb during first two weeks of January

Please remove all lights, ornaments, and tinsel before bringing trees to drop off sites. For more information, contact the Tazewell County Health Department at (309) 929-0272.
