and where we know kids by name.*

## **Welcome to 21st Century Schools**

The Tazewell County Health Department, in cooperation with District 108 schools, is proud to offer the Extended Day program. This before and after school program is housed on site at each primary and intermediate school within the district. The program is administered by the Tazewell County Health Department's Community Health Division.

The Community Health Division's 21st Century Schools program provides before and after school services in several schools throughout the county. Program components focus on academics, life skills education, parental involvement, service learning, positive adult mentors, physical fitness and cultural activities. The program at each site is administered by 21st Century Schools staff which consists of a Site Coordinator and support staff.

### **Extended Day Information:**

This structured child care program is open to all students enrolled in a participating District 108 school. The program is offered mornings and afternoons each day that school is in session. The daily program includes breakfast and an afternoon snack.

Programming may include small group activities, homework time, crafts, large and small motor activity and supervised play.

The Extended Day program operates on a pre-arranged basis. In order to provide adequate supervision, food, and supplies children must be pre-enrolled in the program. Payments for services are due in advance.

Each Friday, payment and schedule of attendance are due for the following week. Rates are \$8.00 for morning session and \$9.00 for the afternoon session.

### **Early Dismissal/No School Days:**

On early dismissal days, students may stay after school to enjoy special activities. The afternoon rate for early dismissal days is \$17.00, snack included. Students will need to bring a sack lunch. Full day services may be available on no school days if the minimum attendance requirement is met. The full day rate is \$27. Interest forms for full day services will be sent home with students throughout the year.

### **Enrollment Information:**

Parents must complete registration forms located in the Parent Handbook prior to the student attending the program. Parent Handbooks can be obtained from the school office or from the Site Coordinator. Students will not be enrolled in the Extended Day program until all required program paperwork, first weeks pre-payment and schedule is received.
